- When we read books, the stories in them transport us from the world we are in, into the world within the pages of the book. One is never alone when one is with books. Sitting in your room with your book, you could go off to faraway places, and meet all kinds of people, animals, birds, and even fairies. What fun! Reading will teach you many new words. You will write better and speak well. Read books to discover lots of new things.
